- CRITICAL DIMENSIONS
- Overall width: 300.0 mm
  - Overall height: 99.0 mm
  - Maximum depth: 55.0 mm
  - General tolerance:  $\pm 0.2$  mm
  - Units: mm

- MANUFACTURING NOTES
- Dimensions are nominal and were measured directly from the final STL model.
  - Do not scale this drawing.
  - Remove printing supports, burrs, and sharp edges.
  - Preserve the ergonomic curvature of the contact face.
  - Verify alignment with the lateral support structure before final assembly.

| PART NAME  | MATERIAL                   | SCALE | SHEET            |
|------------|----------------------------|-------|------------------|
| Pelvic pad | As specified in manuscript | NTS   | PP-01 / Rev. 1.0 |
